Offer to Surrender Original Patent

It is noted that an offer to surrender the original patent has been made but in accordance with amended CFR 1.178 the physical surrender of the original patent is no longer required. The surrender of the original patent is automatic upon the grant of the reissue patent.

Reason for Allowance

The prior art fails to teach or fairly suggest a method of adjusting a display device relative to a computer housing of a portable computer wherein the display device has a display surface and the computer housing has a top surface by rotating a first fixed point of the display device about a second fixed point of the computer housing to adjust a location of the display device relative to the computer housing and by pivoting the display device about the first fixed point to adjust a relative angle between the display surface of the display device and the top surface of the computer housing such that the display device is moved between at least a first position in which the display surface is at a viewing angle with respect to the top surface and a second position in which the display device covers the top surface which the display surface is exposed.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David H. Malzahn whose telephone number is (571) 272-3727. The examiner can normally be reached on M-Th from 7:30 to 6:00.
